

Rapture Timing-Our Best Guess

August 28th, 2024

May the Lord bless us with His perseverance. Amen.

After I received the Lord's Body and Blood today, I felt that He wanted to speak to me. As I watched the severe weather, the flooding and massive landslides happening all around us and the Earth's tilt (we have to move our solar panels), as all these events come together, I recognize that we are coming very close to our departure from Earth. That was on my mind as He dictated this message.

Jesus began, *"My people, great will be the day of your redemption which draws nigh. Great will be the reward for My faithful ones, the ones that did not give up or return to the world, struggled against all their adversities, and withstood the wiles of the Adversary. Great will be that day, truly a day to remember. It is coming just as My prophet said.*

"You must bear with Me as I reach out for the stragglers, the blessed ones who will come into the fold at the very last minute. My people do not despise My counsel nor scorn the Rapture warnings. I am giving them to you so you can prepare packages and letters for your loved ones. It will happen when My Father gives the signal to His angels to go and collect My Bride. I ask you to continue to bear with Me in these last hours of trials which are losing the necessary graces to redeem those who have up until now, withstood Me.

"One of the signs that will get their attention is the severe and unprecedented weather, not to mention earthquakes and the approach of a celestial body which will permanently change this world. Pray for Mercy for all those who have refused Me, pray they will recognize the fulfillment of prophecy which describes and confirms they are living in the end times. I put those words in the Scriptures for such a time as this, so that My people would not be ignorant of the season in which they can expect the catching up. Cease feeding your unbelieving heart with more doubts and examine the evidence of events happening before your very eyes.

"The time approaches when all upon the Earth will witness My glory which testifies to the fact that there is only one God, the God of the Trinity, just as you have body, soul and spirit, when I formed you in My image, so I have also Jesus My body, My Father, soul and intellect, as well as My Holy Spirit. I am fully present in each expression of My Being. Cease your unbelief while there is yet time. Come before Me in contrition, confessing and lamenting your sins, and I will wash you clean and prepare you for Heaven.

"Those who are unbelieving and are left behind will suffer through unimaginable circumstances as this Earth is undergoing purification by fire. My heart is to spare you, but if you persist in obstinate unbelief, you will suffer the consequences. Yet I am full of pity for you and do not want to see you undergo these events. Come to Me, all of you, do not be afraid, I will forgive and make you blameless, but you must repent before Me. My Heart is tender towards you, and I ache for all you have suffered in your life at the hands of evil people, who have no idea of Who I really am.

"I even long for the conversion of those who deliberately have done evil. And I want you to fully understand that just because people say they are Mine, wear a collar, pastor a church, if they do evil things they prove they are not Mine, but Satan's, and they will be punished accordingly. Please have the common sense not to label Christian's evil, because of one bad apple or group. All are flawed by their sins, but only Mine are forgiven and will enter into Heaven and eternal life with Me."

That was the end of His message.

As I was editing this message, the word Jesus spoke, 'celestial body,' really caught my attention. He did not say 'comet' or 'meteor,' He said, 'celestial body.' Just this past week Mike from around The World, (who works for the Department Of Defense assessing threats to America and the world), said that it has been calculated that one of the planets will leave its orbit and possibly touch the Earth with dire consequences. Later he identified that planet as Mercury.

Beloved family, I want to share our perceptions and hunches with you about the timing. That is all I have to give you; I cannot give you any assurance. We know we are in the season for the Rapture because of world events and Israel being surrounded by her enemies. But I would like to add that the two Rapture dreams Ezekiel had seem to suggest late fall or early spring. In both dreams, there was cold, rain and sleet and the trees had lost their leaves. So, we are expecting something to happen in late October or March when these conditions normally are present. However, we have also heard that we were going to have an early winter. So that is all we have to offer you. He is at the door and could come anytime. Please do not stone me if that proves to be a bad guess, I am only human just like you and as my friends I am sharing this with you, but we have expected Him at other times and He did not come, so no stoning, OK?

Please, be ready, and pray for the many that have grown weary...like me and some in our group. God Bless you dear ones.
